

The Smart Community Management Manual

Chapter 20 - 1.5b) Mobility and Physical Impairments

Email info@etownz.com for queries or visit us at www.etownz.ie

Introduction

eTownz has partnered with a number of highly respected research organisations in Ireland and the EU on research projects in the community development and health spaces over the past eight years. The Smart & Engaged Community Management framework was formed based on this research and the guidance of Dr. Maura Farrell of NUIG and Dr. Maura Adshead of UL.

The framework is designed so that it can be applied to any community and under any thematic area of community development. This manual is created using the dynamic “eTownz Knowledge Hub” database which is continually updated with new project ideas and other useful information. If you would like to contribute new ideas please contact us on info@etownz.com. This manual can be used as a standalone document or used along with eTownz Community Management Portal.

Who is involved and what is the structure?

Coordination Team

The Coordination Team facilitates coordination and knowledge sharing between different Town Teams. Highly committed Stakeholders experienced in community development are strongly encouraged to join the Coordination Team. Town Teams should retain independence and responsibility for their own areas.

Town Teams

Town Teams are inclusive smart local teams focused on specific aspects of local development. Town Teams link like minded people together to develop and implement solutions to community problems.

Stakeholders

A stakeholder can be a business, club, public service provider or interested local people. A stakeholder may represent one or more of these interests. All the stakeholders are invited to join a community council.

Core Town Teams x4

Members are invited to form Town Teams related to each of the four main community development Pillars. These are:

1. Health, Recreation & Quality of Life

2. Environment & Sustainability

3. Business & Employment

4. Infrastructure, Planning & Governance

Every participating community should aim to have, at minimum 3 to 6 people on each of the four, top-level Town teams.

Town Teams

Specialist Town Teams are invited to form teams related to specific areas under the four main Pillars. Members of the council are invited to join the Town teams that are relevant to them.

Members of the action team follow the structured format of the smart community framework. They decide their work schedule as a team, creating and implementing local action plans together.

How to use this manual to build a local action team?

The Coordination Team will introduce like-minded stakeholders who wish to form Town teams. The action team then follows a 5-step format illustrated below to compile a “Smart Community Action Plan” for their team. The then follows a 5-step format illustrated below to compile a “Smart Community Action Plan” for their team. The plans can be updated internally throughout the year.

Town teams are invited to submit their plan for the coming 12 months annually. This will be integrated into the overall community plan for the year, compiled before the community AGM.

The AGM helps align the various Town teams and encourage cross-community collaboration on implementation of the plan for the year.

Step 1: Stakeholder Review

The table below can be used by your team to help identify the stakeholders related to this theme. The stakeholders should be invited to provide their ideas, opinions and to join the local action team to help collaborate on initiatives.

Actions

- Manage a register of local assets
- Survey local opinions/ideas
- Recruit & engage local action team

Outcomes

- Top down understanding of local stakeholders
- Bottom up understanding stakeholder perspectives
- Expand team, increase ambitions, plan succession

	Title	Type	#	Comment
	Afterschool Service (S4)	Business		
	Home Services (S115)	Business		
	Mobility Aids (S508)	Business		
	Physical Therapist (S758)	Business		

	School - Junior / Pre (S177)	Public Service		
	School - Secondary (S203)	Public Service		
	School - Special Needs Children (S754)	Public Service		
	Special Needs Assistants (S216)	Public Service		
	Special Needs Transport (S218)	Public Service		
	Meals on Wheels (S153)	Club / Group		
	Carers (S838)	Individual		
	Persons with: Physical Impairment (S836)	Individual		
	Retired persons (S827)	Individual		

Step 2: Asset Review

Use the table below to help build the record list of assets in your area. Use the eTownz portal or a spreadsheet to register your local assets, discuss conditions and how the assets can be better utilised in the community.

	Title	#	Comments
	Community Health Scheme (A63)		
	Daycare Centre (A78)		
	Doctor's Surgery (A82)		

	Gym (A107)		
	Playground (A176)		
	Private Hospital (A787)		
	Public Hospital (A117)		

Step 3: Goals & Metrics Review

Understanding the goal for each action team and attributing relevant metrics is a key part of the Smart Community Management Framework. Below we provide suggested goals and metrics. Please use these as a support to define goals and metrics that work for your community. In the plan, the action team should define how often the goals are to be reviewed and how often the metrics collected.

Title	How is this data collected	Comment	<input checked="" type="checkbox"/>
-------	----------------------------	---------	-------------------------------------

	Title	Summary	<input checked="" type="checkbox"/>	Comment
	Team Building, Management & Metrics - (G58)		<input type="checkbox"/>	
	Awareness, Understanding & Skills - (G59)	Increase opportunities for participation in arts, cultural, spiritual, leisure, learning and physical activities.	<input type="checkbox"/>	
	Preserve, Support & Develop - (G60)		<input type="checkbox"/>	

Step 4: Project Register & Planning

The action team should begin this section by taking consideration of the projects undertaken in the past 2

years, the currently active projects as well as project ideas for the future. Use the eTownz portal to conduct an online discussion on this topic. We also provide a suggested format for huddles related to this.

- a Add new & update existing projects in project register
- b Review completed projects, document learnings & celebrate successes
- c Discuss, agree, prioritise and schedule projects for the coming year

- a Continual cycle of new idea generation & team building
- b Teams learn from experience & pass on best practise to others
- c Agree, realistic actions plans to better coordinate

Goal: Team Building, Management & Metrics - (G58)

Related Project Ideas	Rate	Comments
<p>Promote Participation in Community (P110): Explain to community how to get involved in local issues and how local governance works. For example through workshops and presentations.</p> <p>(Case Study: 226) Local Democracy in Strasbourg (France)</p>		
<p>Services for immobile (P292): To provide and inclusive age friendly environment for all members of the community it is important that all people have access to services available in their locality. Some members of communities may not have available transport to commute to the services available in their local community. In addition to this, there may also be some people who may not have the health to travel, in this case a delivery of services would be of benefit to this particular group.</p> <p>(Case Study: 12) Council Community Bus</p>		
<p>Accessibility To Community Services (P305): To promote independent living it is important that individuals have accessibility to services.</p>		

Goal: Awareness, Understanding & Skills - (G59)

Increase opportunities for participation in arts, cultural, spiritual, leisure, learning and physical activities.

Strategic Plan For The Marginalised Group (P60): Develop a strategic plan to assist marginalised groups in the community with further education and training.		
Promote Participation in Community (P110): Explain to community how to get involved in local issues and how local governance works. For example through workshops and presentations. (Case Study: 226) Local Democracy in Strasbourg (France)		
Age Friendly Activities (P309): Create community groups specifically for walking/running/cycling to encourage participation by member of the community using an age friendly approach.		
Inclusion in Sports Clubs (P314): Start by checking in with the various organisations around the area and see if they are inclusive to people with special needs, people who are on the fringes of the community, disadvantaged people, new residents in the area. For example discuss with local sports club, how many people with special needs are members.		
Road Safety Awareness (P329): Organise for members of the road safety authority to come out and give a talk to students both in primary and secondary schools targeting the youth before they start driving. These talks could also be given to older groups in the community.		

Goal: Preserve, Support & Develop - (G60)

Related Project Ideas	Rate	Comments
Transportation for Special Needs Residents (P317): Advocating that there should be a bus organised and in place for people with special needs, in order for them to attend any social events in the area and to feel included in the community. The bus service would also ensure that they are getting out of the		

Would also ensure that they are getting out of the house once or twice a week.

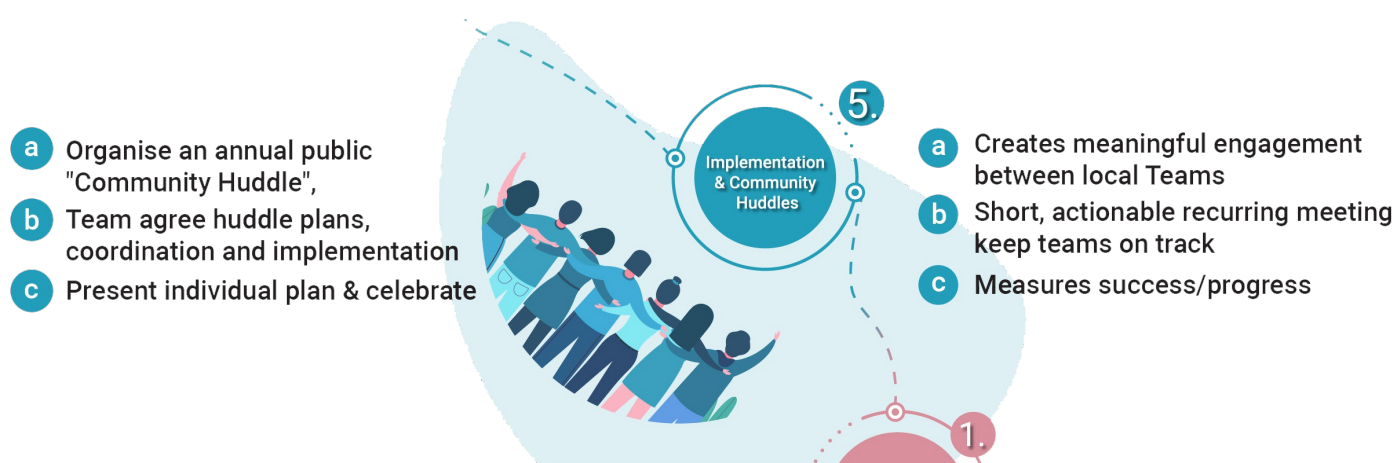

Organise Accessibility Mapping Day (P728):
Find accessible places like restaurants, concert venues or cinemas in your community. With a web and mobile app and an easy to use traffic light system, you can mark places on the map and add information about the accessibility of that place.

(Case Study: 545) Access Earth

Raise Awareness to Access Earth(P780):
Accessibility is still a huge problem today. Entrepreneur Matt McCann is working to help improve the issue. Through his app Access Earth, individuals around the world can find and rate places based on their accessibility needs. Click here to download the app <https://access.earth/>

Step 5: Community Huddles & Implementation

Community Huddles cover a variety of different meetings types that take place throughout the year. This includes remote meetings, project planning or project implementation meetings. We provide a suggested one hour format for the main meeting types to help make best use of people's time.

Appendices: Additional Info

Quick Win Projects

Summary	<input checked="" type="checkbox"/>
Get list of all disabled friendly recreational facilities : Get list of all recreational facilities in the area with or without disabled access and facilities	<input type="checkbox"/>
Organise a buddy companion for	<input type="checkbox"/>

invalids:

Organise a buddy companion for
invalids/ people with disabilities

Organise local carer visits:

Organise local carer visits, these visits
could be done weekly.
